INDUSTRIAL

## Cookware & Bakeware Factory

is a worldwide leading manufacturer for high quality non-stick bake-ware & cookware products for home use.

Since its establishment on 2003, RL has been investing vast resources on research and development of new products, trends and designs to meet the high global standards meet the consumers' needs and define new trends for the global market. RL holds numerous product categories which range from economic to prestigious products emphasizing on competitive pricings, new styles and concepts and above all excellent quality.

Our goal is making baking and cooking fun, convenient and beautiful by providing safe, reliable, appealing and easy-to-use products. Our experienced sales and marketing force will assist you through the purchasing process in order to offer you the most innovative products we have. Our in-house development team consistently develops new items and packaging designs and assists our customers up-scaling their design.

You are welcome to contact us by email or phone at any time for any enquiry.

*Warm regards,*
