rl. RL INDUSTRY
Cookware and Bakeware Factory

A year like no other

2022 was a challenging year for the entire world having to deal with the pandemic and its huge impact on everyone's lives. As we turned our attention toward staying home and staying safe, we relished the simple pleasures of cooking and baking with our family. We believe this trend is here to stay and we are fully ready to continue this path.

Having had the privilege to be there for our customers the past year, we listened, designed, and developed different collections to accommodate all bakers' needs and levels. In light of that, there was a lot of demand from all over the industry for cookware and bakeware, and it enabled us to reach new markets and customers and further expand our global sales.

With nineteen years of experience in building the most advanced kitchenware, this year, like every other — we continue to look toward a brighter future and improve kitchenware even more. In 2024, you can expect various collections that will enhance your kitchen in every way. We are excited to show off these high-grade products and share our incredible story with you every step of the way.

We wish to take this opportunity to thank you for all the engagement and support, and we look forward to meeting you all in person.

Visit our website to stay updated with the latest news and promotions.

Sincerely,

Ningbo Showroom

RL Yongkang Factory

RL Industry

Bakeware Specialist

SINCE 2003

Welcome to RL Industry, we are a worldwide leading manufacturer of high-quality non-stick bakeware and cookware products. We have invested vast resources on research and development of new products, designs, and technology to meet consumers' needs and define new trends for the global market. Our promise to you is to deliver anything from economic to prestigious appliances with competitive pricing, the newest designs, and the highest quality.

Whether you're looking for the best pots, pans, bakeware sets, spatula, or just any cooking device really — we've got you covered. Our goal is to make cooking fun, convenient and beautiful for everyone by providing safe, reliable, appealing, and easy-to-use products. We offer an experienced sales and marketing team that will guide you through the purchasing process and keep you updated on the most innovative products in the market.

To improve our brand, we also have an in-house development team that consistently develops new items and packaging designs that assists our customers in up-scaling their style.

We provide everything our consumers are looking for in cooking, so why not start exploring our kitchen tools today.
